Attn.: Craig R. Feinberg

Appellants' request postponement of the referenced oral hearing to prepare a sequential concordance of copies of documentary evidence referred to in Appellants' Brief and Replies which were submitted as attachments and appendixes to papers and affidavits submitted during prosecution. The undersigned attorney discussed this matter with Craig R. Feinberg, Administrator of the Board of Appeals and Interferences, and it was mutually agreed that due to the extensive file history a concordance would facilitate this appeal and that the requested postponement is in order.

Respectfully submitted,

By:
